You are invited! Your Church

Do you have friends who you can trust and talk to when you're in trouble?

Are you facing challenges in relationships, work, or health?

Instead of struggling by yourself, why not come to Your Church? Your Church is a Christian church for you.

*T*hese days, we don't seem to hear many good things about religion. Instead, we hear about "religions" that are associated with financial scams or various forms of abuse. Naturally, many people feel that it might be best to stay away from religion. At the same time, people also sense that material wealth will not bring them true happiness and many of them are still seeking spirituality and healing in their lives.

What about you? Are you happy about the way you're living? Do you know the purpose of your life?

Everyone relies on someone as they live. It may not be God or Buddha, but they rely on someone close like friends, families, or even themselves. But the key question is this: "Who can I really trust?" It's not easy to find someone you can trust no matter what. We might decide, in the end, to trust in ourselves, but are we that strong?

The Bible teaches that Jesus Christ is the one you can trust and that he will never betray you. Historically, the church has been given the task of sending out this message, but it has also made many mistakes as an organization made up of human beings. Nevertheless, the faith that is based on having a personal relationship with Jesus Christ has lasted for over 2000 years. We, as Christians, believe that this relationship is the only source of true satisfaction for anyone, even as we acknowledge our own weaknesses.

Jesus Christ is not an idea that is buried deep in books of religion or philosophy. He is a God that still lives today inside those who believe in him. Jesus Christ has the answer to your worries about family, relationships, illness, and even your future. So please feel free to visit Your Church. We would love to help you encounter Jesus Christ and receive true happiness.

Pastor, Your Church

Your Church is...

'Your' church where you are welcome to be yourself.

We welcome you as part our family whatever your age, language, clothing style, personality, or background. Kids and babies are also welcome.

A church that teaches the Bible in ways that are accurate, fun, and understandable.

The Bible was written so that you could encounter Jesus Christ and his teachings. We teach the Bible so that you can use it to learn about Jesus and live a purposeful life.

A church that helps you find solutions to your problems.

We listen to your thoughts and help you find the solutions to the issues you face in life without forcing our own ideas on you.
